Robin,

The following list addresses each of your questions in the order you provided.

- 1) 87 total patrol personnel oncluding all administrative staff
- 2) 4 DARE Officers/SRO's
- 3) 3 Assistant Sheriff's
- 4) 1 person specifically assigned to training, however an accurate count is hard to determine as many of our personnel instruct as needed as as they are certified for
- 5) 106 (approx.) vehicles. This includes detention transport vehicles and other specialty vehicles, SWAT, Mobile Command Post, etc.
- 6) Based in population estimates our current staffing levels are roughly 1.15 per thousand of population. of personnel assigned to patrol
- 7) 17 Sworn detention personnel
- 8) 151 Bed spaces for prisoners

If I may be of may other assistance please contact me.

Thank You

Bill
